

## **CORPORATE SAFETY POLICY STATEMENT**

At Furnace Mineral Products Inc. (FMP Coatings), health and safety is our top priority. We will strive to be the leading performer in our industry by embracing this commitment at all levels in the organization and it will not be comprised for any reason.

All employees have the personal responsibility to protect their own health and safety, that of their fellow employees and that of the public. All employees must learn and comply with the safety rules applicable to their employment responsibilities.

Our goals are simple, *no accidents, no injuries to people and no damage to the environment.*

Prevention of dangerous or hazardous situations and appropriate proactive strategies to continuously improve all aspects of Health and Safety are considered fundamental in everything we do.

We comply with applicable health and safety laws, requirements, and recognized standards and guidelines appropriate to our activities to protect our employees, contractors, visitors, physical assets and the public.

There will be no phase of business activity so important that we cannot utilize all reasonable means, methods, and precautions to maintain a safe, healthy and environmentally responsible workplace.
